Glucemic Balance, Sandra Cabot

\$36.50

(RRP \$44.95)

type=input,subtype=TEXT,width=40,height=044.95

You Save: \$8.45

Glucemic Balance helps to maintain healthy blood glucose levels. Curbs cravings for both sweet and savoury carbohydrates. It is possible to help the body to respond better to the effects of insulin. Syndrome X is associated with unstable blood glucose levels and insulin resistance. Syndrome X is also known as the Metabolic Syndrome.

Contains no added gluten, dairy products, yeast, artificial colours, flavours or preservatives.

Vitamins can only be of assistance if the dietary vitamin intake is inadequate. This product contains selenium which is toxic in high doses. A daily dose of 150mcg of selenium for adults from dietary supplements should not be exceeded.
