### **For acute cold and flu symptoms - With Echinacea, Garlic, Horseradish and Vitamin C.Â**

Greenridge Flu Biotic is an Echinacea based anti bacterial formula that helps reduce the severity and duration of acute cold and flu symptoms.

**Who is it for?Â Greenridge Biotic** is for people suffering from:

- Sinus congestion
- Nasal congestion
- Coughing
- Cold or flu
- Tonsillitis
- Laryngitis
- Hay fever

**What does it do? Greenridge Biotic** is a high potency Echinacea based formula with natural antibacterial properties, to provide relief from acute symptoms of coughs, colds and flu, sinus and nasal congestion, also allergies, hayfever and catarrh. It provides relief from inflammation and discomfort from laryngitis and tonsillitis.

**Benefits** Combines the natural antibacterial and antifungal action of Nasturtium, Horseradish & Garlic. Nasturtium has been used by herbalists for cold & flu and most conditions affecting the respiratory system due to infection. A balance of active constituents in the formula ensures effectiveness.

Dosage can be adjusted - to suite all ages. Made from Australian-grown Echinacea, with Greenridge's guarentee of quality and potency. Greenridge products have no artificial colours, flavours or preservatives.

- 60 Tablets

<b>Extracts equiv to:</b>	<b>Â</b>
Echinacea purpurea (Echinacea) root dry	500mg
Allium sativum (Garlic) freeze dried, equiv. to bulb fresh	500mg
